

DR. OGDEN PREACHES ON “THE SANCTITY OF TRUTH”

Dr. Dunbar Ogden preached Sunday at the Central Presbyterian church upon “The Sanctity of Truth.”

Dr. Ogden’s sermon was based largely upon the perjury charges and the conflicting statements made in the Frank case.

“When oaths multiply there is a sign that truth is failing,” said the minister.

“Lawful and earnest people,” continued the minister, “cannot help but be impressed with the sanctity of truth, in looking upon the revelations of recent days in this great case. The most stupid and careless can see the lesson that is to be learned. It is time that thoughtful people consider the sanctity of truth and do not trifle too long.”
